

Boomerbuggy X Pro

Product Specifications Sheet

Product | BB X PRO

Product Category: **Mobility** Product Code: **200-BBX30-120-60**

A fully covered mobility scooter designed to travel regardless of the weather, with no license or registration needed.

The Boomerbuggy X Pro has a battery that allows you travel up to 60 km on a single charge, with a maximum speed of up to 20 km/h. This is the best covered mobility scooter that you can find on the market, and comes with heater, air conditioner, rear camera, MP3 radio, sun roof, and more.

Features & Benefits

Heating & Air Conditioning

Built in heating and air conditioning so you can ride comfortably in your enclosed mobility scooter no matter what the weather conditions are.

Power Windows & Sun Roof

Make your ride more comfortable and enjoy the fresh air with ease using the power windows button or by pushing up the sunroof.

Full Color LED Display

Listen to the radio, connect your phone via Bluetooth or watch videos on your full color LED display on this all-encompassing mobility scooter.
