## WHAT WE PROUDLY DO

Welcome to Daymak's exclusive dealer brochure, where innovation meets Canadian craftsmanship. At Daymak, we take immense pride in our commitment to delivering high-quality, customizable mobility solutions, all proudly designed in Canada. That means with us you get all the quality and none of the tariffs.

Our product line is designed with a focus on versatility, durability, and performance, ensuring that our customers enjoy the freedom and independence they deserve. Each model in our lineup reflects the meticulous care and precision of our Canadian manufacturing processes, and our dedication to excellence is evident in every detail.

We'd like to introduce you to four of our standout models: the BBX Pro, the BoomerBuggy Cargo, the Florence Etrike, and the BoomerBeast. These models not only showcase our cutting-edge technology but are also all made in Canada and offer a range of customization options to meet the unique needs of your customers.

Our commitment to quality extends beyond our products to the relationships we build with our dealers. We understand that your success is our success, and we are here to support you every step of the way.

Together, let's drive forward the legacy of Canadian innovation and craftsmanship.
